COMPANY NAME:

STAND NO:

Exhibitors that have the shell scheme package will automatically receive 2 x 150watt spotlights installed in the centre behind fascia, and 1 x plug point installed at the back centre.

If your plugs point “X” or spot lights “O” are required in a different /specific position please indicate in the block below.

IMPORTANT NOTE:

To get power to non- package and island stands it is compulsory that a single phase or 3 phase distribution board be ordered. Check your agreement and contract with the organizer. Without a distribution board your stand will have NO access to power.
