

The government has implemented a phased lifting of the COVID-19 lockdown.

ALERT LEVEL 4 commenced on **01 May 2020**, with further amendments to definitions as per Gazette on **12 May 2020**.

Please note that this list is a Level 4 list, which includes certain items from level 5 that remain unchanged. Items unchanged from level 5 are marked as **RED** and new items now allowed are marked in **BLUE**.

Level 4 is still constituted as essential-only services and hence those who are operating are required to have a permit with ID, as well as a copy of the completed **FORM 2** from Government Gazette, 29 April 2020 (i.e. Permit to perform an essential or permitted services).

LEVEL FOUR: Permitted Retail and Service Operations

Public movement permitted for:

- Seeking medical care.
- Buying essential goods and services as per below.
- Collecting social grants.
- Access banking services.
- Visit pharmacy.
- Getting petrol.
- Exercising under strict conditions.
