BUSINESS UNUSUAL

The current level 4 lockdown rules and regulations will see more and more businesses resuming operations. Now more than ever the health and safety of your employees and customers should take top priority. We have employed our company's wealth of expertise and experience to help you get your business ready for operations.

We offer solutions that are specifically designed to help reduce risks of spreading COVID-19 in the workplace

Our tailored solutions include:

- Decontamination units
- Complete office solution
- And misting sanitization units.

DECONTAMINATION SOLUTION

In order to ensure the protection of your customers and employees at your businesses we are proposing the use of the dry shower sanitization system. This solution is an approved product to support the disinfection process against the fight for COVID-19.

This solution is a weather proof, quick to install and comes with a certified sanitizer – organic and non-alcoholic substance available in 25litre containers.

25 litre chemical re-fill suitable for misting "AQUAOX Disinfectant" certified by ATS Labs, Michigan, USA available at R2 275,00 ea.

MISTING SANITIZATION UNITS

Mist between 15 – 30 Microns delivered by SABS Certified 70% Alcohol Sanitiser

- ✓ The size of the mist (*if applied correctly*) does not compromise electronics.
- ✓ The mist penetrates porous materials but leaves no residue.
- ✓ The machine only uses 100ml of sanitising liquid every minute.
- ✓ The machine has a 10litre container & this will last 1 Hour 20minutes
- ✓ An ambulance of 5m length x 2,96m height & 2,5m width will take a maximum of 2 minutes to sanitize inclusive of cab. 1 000Sqm Offices will take 2 hours to sanitize.
- ✓ 10litre sanitation liquid (70% Alcohol based liquid) will therefore sanitize 50 Ambulances or 800 Sqm.
- ✓ After sanitizing the area it is suggested that it is left undisturbed for 5 minutes.
- ✓ The hose that drives the hand-held misting nozzle is 20m long.
- ✓ The mobile unit comes with a 3meter power cable & 3pin plug (230 Volt) power needed.
- ✓ The units come with a 6 month warrantee, and are sealed.
- ✓ Any technical problem will lead to a unit exchange.
- ✓ Once of price = R25 000,00 (Excluding 15% VAT) . 50% on order and 50% balance at delivery.
- ✓ The price here excludes the 70% alcohol based sanitizer liquid @ R2 275,00 per 25Litre

INDUSTRY MEMBERSHIP

GL events South Africa holds membership to all the prominent associations in the Events and Exhibitions Industry.

We believe in keeping a close involvement with all industry bodies in order to address market related issues and ensure compliance to local and international standards.
